Dear Mr. Browder:

I read with interest the article in THE CARBONDALE NEWS OF January 12, 1983 (page 2) about your trash hauling business ("His business is really picking up!").

Thank you for collecting roadside litter in the Carbondale area. Because of conservation-minded citizens such as yourself, America's resources are being conserved and the countryside becomes a little cleaner every day. The Carbondale Historical Society salutes you.

Sincerely,

S. Robert Powell
